

TF 9-12 IN(M) NTC FINAL AAR

9-12 IN(M)
**“Green
Knights”**

Rotational Training Objectives

Well Developed: (definable, measurable, attainable)

- ❖ Improve casualty evacuation from point of injury to company casualty collection point, use of CLS qualified personnel, and vehicle marking and evacuation plan.
- ❖ Improve MDMP process by focusing on clear and concise CDR's guidance and a COA development plan that properly integrates all 7 BOS elements prior to the COA synchronization drill (wargaming).
- ❖ Develop an effective observation plan that properly establishes the observer-shooter link and maximizes the use of tactical and technical triggers.

Poorly Developed:

- ❖ No casualties and return home with everyone that deployed.
- ❖ Don't lose any sensitive items.
- ❖ Have fun!
